Subpart 239.73 [Reserved]

Subpart 239.74— Telecommunications Services

239.7400 Scope.

This subpart prescribes policy and procedures for acquisition of telecommunications services and maintenance of telecommunications security. Telecommunications services meet the definition of information technology.

[62 FR 1060, Jan. 8, 1997, as amended at 71 FR 39011, July 11, 2006]

239.7401 Definitions.

As used in this subpart—

(a) *Common carrier* means any entity engaged in the business of providing telecommunications services which are regulated by the Federal Communications Commission or other governmental body.

(b) *Foreign carrier* means any person, partnership, association, joint-stock company, trust, governmental body, or corporation not subject to regulation by a U.S. governmental regulatory body and not doing business as a citizen of the United States, providing telecommunications services outside the territorial limits of the United States.

(c) *Governmental regulatory body* means the Federal Communications Commission, any statewide regulatory body, or any body with less than statewide jurisdiction when operating under the State authority. The following are not “governmental regulatory bodies”—

- (1) Regulatory bodies whose decisions are not subject to judicial appeal; and
- (2) Regulatory bodies which regulate a company owned by the same entity which creates the regulatory body.
